National Institute of Disaster Management

The National Institute of Disaster Management (NIDM), Ministry of Home Affairs, Government of India is a premium institute and a statutory body (under the Disaster Management Act 2005) for training, research, documentation, awareness and human resources and capacity development in the field of disaster mitigation and management. The institute emphasizes a multi-stakeholder interdisciplinary cross-sectoral approach for an efficient proactive continuum disaster risk management based on a participatory integrated multi-risk management concept. It aims towards a disaster-free and resilient India.

Punjabi University, Patiala

Punjabi University, was established in the year 1962 with the main objective of promoting the cause of Punjabi language, art, and literature. Since its inception, the university has evolved into a multi-faceted and multi-faculty educational institution for the promotion of higher education and research in humanities, arts, sciences, engineering, languages and technology. Punjabi university encompasses 70 teaching and research departments on campus, 27 regional centres/neighborhood campuses/constituent colleges, and 274 affiliated colleges.

OBJECTIVES

- To explain the basic concepts and conceptual framework of Disaster Risk Management.
- Analyse the Vulnerabilities and Disasters in Punjab: Extracting Lessons Learned for Enhanced Resilience.
- To study legal rights related to personal safety and protection against violence and harassment.
- To equip participants with practical skills of self-defense, Basic life support.
- To ensure that government officials in Punjab are well-prepared to support and implement DRR.
