## About Punjabi University, Patiala

Punjabi University was established in 1962 in princely state of Patiala with the main objective of furthering the promotion and development of Punjabi language, art and literature. This is the second University in the world to be named after a language. At present Punjabi University Patiala is Accredited with 'A+' grade by NAAC. The university is imparting education in Languages, Humanities, Social Sciences, Sciences and Engineering with 65 departments, 9 neighborhood campuses and 274 affiliated colleges.

## About the Department

The department was established on October 7, 1965 and is offering Integrated Teacher Education Programme (ITEP) B.A. B.Ed. (Secondary), M.A. Honours (Education), M.Ed. and Ph.D. (Education).

## STEM Education Research Group, School of Education, Curtin University, Perth, (Australia)

The Science, Technology, Engineering and Mathematics Education Research Group (STEM Group), formerly SMEC, operates within the School of Education in the Faculty of Humanities. Supervising one of the largest concentrations of postgraduate students specifically in STEM education disciplines in the world, STEM Group has Master of Philosophy (MPhil), Doctor of Philosophy (PhD) and Doctor of Education students from all Australian states and territories and many overseas countries.

## Workshops

Workshops will be conducted by the international and Indian resource persons on the topics related to the theme of the conference on the first and second day of the conference. The workshop topics and schedule will be announced later.

## Accommodation Details

Limited accommodation on payment basis will be available in the guest house of the University (for the Faculty) and in the university hostels on first come first serve basis with mandatory advanced registration. However, those who wish to book hotels for their stay in Patiala may contact various hotels in the city of Patiala.

## Guided City Tour and Cultural Evening

A guided city tour will be organized on the last day of the conference, allowing participants to explore the historical and cultural treasures. Additionally, a cultural evening showcasing the traditional music and dance of Punjab will be held on the second day of the conference, offering an immersive experience into the local culture.
