SOLUTIONS FOR INDIA 2047**

21st – 25th April, 2025

ORGANISED BY:

**SCHOOL OF MANAGEMENT STUDIES,
PUNJABI UNIVERSITY, PATIALA**

ABOUT THE DEPARTMENT

The School of Management Studies (SMS), a distinguished department of the university, was established in 1969. The primary objective of SMS is to equip students with the necessary knowledge and skills to navigate the challenges of the evolving business landscape. Our focus is on developing professional managers for the corporate sector who will drive the nation towards a more prosperous, just, and a humane society.

ABOUT THE WORKSHOP

As India envisions a sustainable and progressive future by 2047, this 5-day Faculty Development Program (FDP) is designed to equip research scholars, academicians, and industry professionals with the essential knowledge, tools, and skills to drive sustainability across key functional areas. Aligned with the vision of a self-reliant and environmentally conscious India, the program focuses on fostering personal and professional growth, ultimately contributing to economic development, business transformation, and sustainable innovation. Covering vital domains such as finance, marketing, human resources, entrepreneurship development, and digital landscape, this multidisciplinary initiative will empower participants to integrate sustainability into businesses, professional practices, and academic research, shaping a resilient and future-ready India.

Key Focus Areas & Sub-Themes

The focus areas and sub-themes of the program include, but are not limited to the following topics:

- Sustainable Finance & Investment Strategies
- Relationship Management in Personal and Professional lives
- Human Resource Management & Sustainable Workplaces
