Hello sir.

Thank you for your concern. Sir, currently we are undergoing training period at Atos, Pune centre .

We got a wonderful treatment here. In the first seven days, accommodation from their side was very helpful.

HR persons and all faculty members are very co-operative with all of us. We will be going to complete our basic training on 27 Sept, after which we will be getting specialized training.

With Regards  
Hitesh Vishal  
Gourav Sachdeva  
Nitish Prashar  
Ankush Mehta.
